RESERVES ASSURE CAMP DEVELOPMENT PLAN

An Editorial

WHY WE GIVE

Today, more than ever, this country needs the strength of character that Scouting builds. Today's good Scout is tomorrow's good citizen.

But . . . in the Chicago area today, only 17% of the boys eligible for Scouting are actually Scouts. In other words, only 1 boy out of 5 can be a Scout.

Why? Because there has not been enough money to train the volunteer leaders and organize the new Scout units we need.

More career Scouters are needed to train volunteer Scout leaders, to help start Cub packs, Scout troops and Explorer groups and supply them with program material.

That's why we're asking you to become a Participating Member in Scouting.

A membership costs as little as \$12 — enough to give another Chicago boy a start in Scouting—a start he might not get without your help.

There are two things every Scouter can do:

1. When asked, purchase a membership equal to your interest in Scouting and your ability to give.

2. When asked to give a day to Scouting on March 16, please respond with a "Yes!" and get other Scouters of your acquaintance to lend a hand in the One-Day Campaign.

Advancement is important, even to a bed-ridden Scout. Just ask Frank Tagliola of Troop 45, Emerson House, shown here with Scouts Daniel Bochinski (left) and John Jerema.

Owasippe Reservation and Near-In Camps Included

The dream of new camps for Chicago area Scouts was virtually guaranteed at a meeting of the Council's Executive Board on February 21, according to **Robert W. Reneker**, Council President.

Money raised in the Camp Capital Campaign has been supplemented with funds from the Council's contingent endowment fund for the building of the "new" **Owasippe** and rebuilding of Camps **Harrison**, **Kiwanis** and **Fort Dearborn**, near-in camps located on lands controlled by the Forest Preserve District.

The first phase of the camp construction program was completed with the opening of the short-term camp at **Yorkville**, Illinois, last November. Two new section camps at the **Owasippe** Scout Reservation, a new family camp, and central administration, maintenance, and food service facilities are a part of that development.

Commenting on the action, **Reneker** said, "Although the contingent endowment fund will be reduced based on pressing needs for better serving boys today through these projected grants, such action is deemed appropriate."

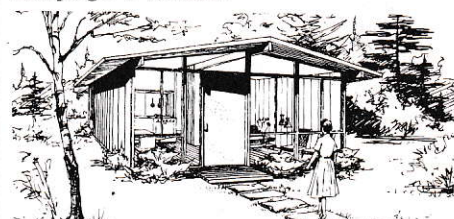

Canoe Base

The Executive Board instructed the Camp Development Committee to prepare detailed plans for the near-in camps, and submit them to the Board at its April meeting. It is the Board's intention to finance the near-in camp program through a further appropriation from contingent endowment funds.

Scouters Called On for Help

"It becomes the duty of every Scouter to help compensate for this loss of income by redoubling his efforts in our annual finance campaign," **Reneker** continued. "We will be able to fulfill our responsibility to the youth of the Chicago area through the camp development program and the things that are covered through our annual operating budget. Every Scouter is called on to do everything possible to make the 1963 Finance Campaign a success."

Scouter Family Cabin

FUN FAIR NEARS

Chicago Scouting's action show, the Scout Fun Fair, is close to reality! Planned for May 17-18-19 at the International Amphitheatre, the Fun Fair will feature more than a thousand booth shows, all manned by Scouts, showing hundreds of thousands of Chicagoans the fun of Scouting.

Along with Scout booth demonstrations, the Fun Fair will also include a spectacular arena show, according to **John O. Wilson**, Vice Chairman of the Fair Committee. "In the stage show our Scouts will entertain with imagination and skill, the same way their booth shows will be run," he said. "They will 'be prepared.'"

If your unit hasn't planned its Fun Fair show yet, there's still time. Do it now! Contact your commissioner for more details.

Achievement Reminder

A reminder that unit leaders have only until March 30 to qualify for five bonus points for registering early for Phase Two of the Council's Achievement Awards Program.

Complete details on the new achievement program appeared in the March 1 COUNCILER.

EXPLORER CABINET MEETING

Let's have the two cabinet members and the Advisor from every Explorer post present so we may find out what **you** want for your unit.

DISTRICT MEETING

Please note the change of date for the March district meeting. This was necessary due to an area-wide meet at Palmer Park. Therefore, they had to cancel our original date of March 15.

This should be a very interesting meeting. In addition to the regular business, we will discuss the **April** business meeting and the **May** recognition dinner. Every institutional representative and member at large should be present to help the committee with ideas.

ROUNDTABLES

The Cub leaders will have the April theme, "Up Above and Underneath" presented by some of our fine packs. This theme is designed to interest Cub Scouts in nature study and should prove very interesting.

Let's all come out and receive ideas from the packs that have spent so much time preparing it for us.

The Boy Scout leaders will have a presentation of the April theme "Canvas Craft" and the new film strip, "How to Select a Tent," will be shown. We will also hear more about camping, Scout Fair, and the camporee.

Order of the Arrow

This is the month when every member of our chapter is invited and we are sure a good program will be presented. It is to be a surprise program, they tell me.

ADVANCEMENT

The due date for Eagle applications is soon at hand. If you have any questions please call **Clarence Priess**, HI 5-8233.

Along the Scouting Trail

By ALDEN G. BARBER

As we approach the kickoff of our Finance Campaign, I am moved to ask, "What value do I place on Scouting?"

At first I resist the tendency to measure value in terms of my dollar contribution. As a matter of fact, I tell myself the hundreds of extra hours I give certainly is a barometer of my concern. Why can't I make up in service the dollars I do not contribute?

Next question: Must it be one or the other? Why not both service and dollars? And it should be both if my evaluation of Scouting is high enough.

We rejoice that the Executive Board has determined to spend \$1,000,000 from reserves to complete Camp Owaspippe and rebuild the Forest Preserve camps — great Scouting facilities that will merit our pride.

Individually we must match this high evaluation by re-analyzing our own contributions—both of time and dollars.

Explorer Career Conference

The Council's Explorer Career Conference will be held on the Evanston campus of Northwestern University March 23, 9 a.m. to 8:30 p.m. Explorers will discuss vocations ranging from advertising to agriculture, under the guidance of university faculty and staff.

The Career Conference is being sponsored by the Council's Explorer Cabinet. Judge **Alfred J. Cilella** chairman of the activity has more information and reservations. Call the Service Center 782-3990.

Another conference, exploring the scientific professions, will be held at the Bensenville plant of the Flick-Reedy Corp. on April 2. Explorers will hear speakers on rocket propulsion, quality control and engineering management, as well as tour the Flick-Reedy plant.

For more information call **Charles G. Yarrow** (after 6 p.m.) RE 4-7990.
